Shares will be purchased at the market price of the shares at the time of purchase and will be purchased on behalf of the Corporation by a registered investment dealer through the facilities of the Exchange. The funding for any purchase of Common shares pursuant to the normal course issuer bid will be financed out of working capital of the Corporation.

Other than as described in the information circular regarding the Arrangement described above, Bucking Horse has not purchased any of its issued and outstanding common shares within the 12 months preceding.
