*Forward-Looking Information:*

*Certain statements contained in this news release may constitute forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as “anticipate”, “plan”, “expect”, “may”, “will”, “intend”, “should”, and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements.*

*Forward looking statements in this news release include that the Company will present at the upcoming Houston Energy Financial Forum to be held from November 18-20, 2008 in Houston, TX and that a webcast of the presentation and presentation materials will be available at the Company’s website.*

*The material factors or assumptions used to develop forward looking statements in this news release include: that the Houston Energy Financial Forum will proceed and that the Company’s representatives will present at the Houston Energy Financial Forum.*

*The Company’s actual results could differ materially from those anticipated in these forward-looking statements as a result of unforeseen circumstances preventing the attendance of the Company’s representatives at the Houston Energy Financial Forum, prevailing economic conditions, and other factors, many of which are beyond the control of the Company. Further, the Company’s Board may consider that other commitments or unexpected requirements of its Board members make it unfeasible for the Company’s representatives to attend.*

*The forward-looking statements contained in this news release represent the Company’s expectations as of the date of this news release, and are subject to change after such date. The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required under applicable securities regulations.*
